SECURITY

SNPROTECTION

YOUR TRUSTED SECURITY COMPANY

WHO ARE WE

We pride ourselves in knowing that the preparations that we set in place yield rewards. Our services are offered to clients in different industries.

Our innovative way of thinking has kept us in the running with some of the bigger names in the industry, and it's due to our priming initiatives. that all our security guards go through, that allows them to match second to none in their field of expertise.

OUR AIM

- To supply what you requested
- To be the resilience against criminal activities
- Build lasting relationships with clients
- To ensure safety at all cost

OUR MISSION

Ever notice that there is always one thing that stands out to someone when they visit somewhere. whether a building. home or outdoor location? That one thing resonates with them and they use to relate to others? The first point of contact is usually where the first impression is made, which ends up being a lasting memory: so we would suggest that you ensure that your the first impression, is the best.

And that's what our mission is: to be that positive reinforcement needed upon first contact that will deter any criminal activities and provide a sense of protection.

We also ensure that we:

- Encourage consistent employee training and development
- Provide exceptional service
- Focus on client centralization
- Be consistent in the field of technology and keep our systems up to date
- Develop strategic innovative ideas to perform our duties

UNIFORM GUARDING SERVICES

SN Protection can provide licensed uniformed guards throughout British Columbia. Our clients know that the presence of professionally trained, vigilant, and responsive security guard can have many benefits. In addition to the primary purpose of protecting people and property, a guard can symbolize a serious deterrent to anyone considering act of criminality, trespass or vandalism.

We ensure that application to duties is matched by a professional appearance and by an understanding of the importance not just of security but also customer service.

Our management and supervision of account is key to our success

We ensure that staffs have the support and back-up they need to give their best at all times. Field Supervisors operate around clock and management regularly attend on site. Similarly our clients have 24 hour access to a member of senior management if they have concerns.

ONLINE SECURITY APP

Get visibility on your daily operations

TrackTik is a cloud-based security workforce management system that offers monitoring and data features for back office tasks and field operations, Important capabilities include client portal, reporting and tracking, and guard tour. The software!

shows operations in real time,

This enables you to view incidents as they occur, see checkpoint scans, and manager reports, In addition, the dashboard gives you info about the whereabouts of individual guards,

TrackTik's guard tour functionality assists in real-time monitoring of guard shifts utilizing GPS tracking. This allows you to produce a guard summary which includes info about incomplete, complete, and late tour notifications, You can use the program to notify clients about event status through web browser, SMS and email.

SN PROTECTION SERVICES

In addition to the above, **SN Protection Services**. Delivers a broad range of value added' services tailored to a demanding and price sensitive market.

Commercial Security

Keep the business place properly mannered and under appropriate video footage, as this will help in any crisis, whether Internally or externally.

EMAIL: info@snprotection.ca

During the pandemic we provided various Security Guard Services to our clientele which included both static and or mobile ranging in various roles from access control to foot and mobile patrol for parking lots at multiple Fraser Health Authority and Provincial Health Authority locations throughout the Lower Mainland and Fraser Valley.

These included Vancouver General Hospital, Burnaby General Hospital, Langley Memorial Hospital, Royal Columbian Hospital, Abbotsford Regional and Chilliwack General Hospital.

In addition to this we single-handedly managed access control in compliance with fire safety and evacuation orders during the devastating Lytton wildfire of 2021 and continued to provide various security services including static and mobile for nearly 2 years.

We were deployed for various projects province-wide for a client, which included cities such as Williams Lake, Kamloops and Kelowna for chain-stores such as London Drugs.
